Dear Parents/Guardians of Cole County Students:

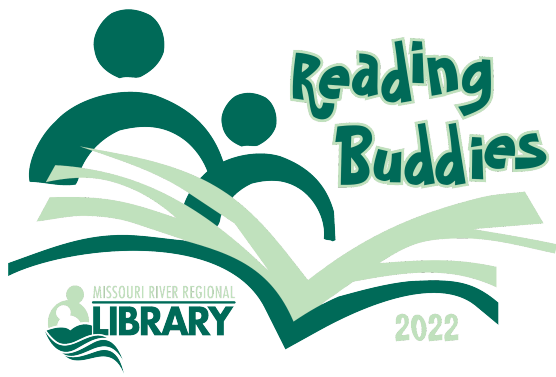

We are excited to extend this invitation to your child to participate in a FREE reading program offered this summer at the Missouri River Regional Library! The Reading Buddies Program is a literacy-based program that pairs kindergarten, first, and second grade students with teen and community volunteers who have been trained to help young readers. Your child will meet with their Reading Buddy *once a week* to read together and do fun group activities in order to help boost reading levels and reading self-esteem. The Reading Buddies Program is designed to give children extra reading practice one-on-one with a mentor and to make the reading experience fun! We will be celebrating reading by doing creative projects, as well as providing snacks and literacy based games.

The first session will be Monday, June 6th, 2022, and the program will end on Tuesday, July 26th, 2022. You may choose to have your child attend one session each week on Mondays from 4:30-6:00p.m. or Tuesdays from 6:00-7:30p.m. Parents are responsible for transporting their child to and from the Library.

Please complete the application included with this letter and return it to the **Missouri River Regional Library** by **Monday, May 16th, 2022**, in order for your child to be included in the Summer Reading Buddies Program. **Do not return the applications to your school!** If you have any questions or concerns, please feel free to contact Angie Bayne at the Missouri River Regional Library at (573)634-2464, baynea@mrri.org. Once you have submitted the application, we will contact you to confirm your child's participation in the program. Applications will be accepted on a first come basis. We hope to see you at the Library this summer!

Sincerely,

Angie Bayne
Missouri River Regional Library.
