

# Adult Summer Reading Program:

## *All Together Now*

May 19 - August 4

### The Program

Read, and earn prizes this summer. You can track your reading either by logging the titles you have finished, or count the number of hours you read. Either use our online tracking program at [mrrl.readsquared.org](http://mrrl.readsquared.org) or this log-sheet. You have the chance to earn 5 free books as well as 5 raffle entries. You may also count hours you've spent reading to your family. This year's theme, *All Together Now*, offers a list of recommended titles. Find the books online at [tinyurl.com/2023sumread](http://tinyurl.com/2023sumread) and featured on the front display cube in the library. For reading 1 title from this year's themed list, you can earn **double** the points (one time only).

Recording titles? list that title twice.

Recording time? list the title and record your hours.

### The Prizes
