## TECH CLASSES

Register online at [mrrl.org/events/month](http://mrrl.org/events/month)

### TROUBLESHOOTING TECHNIQUES

**TUESDAY, MARCH 5** | 10:00-11:15 a.m. | Mark Twain Room  
Sometimes computers and software can be frustrating. They might freeze or shut down unexpectedly, which can lead to lost time and patience. But the library is here to help! Join us to learn about techniques you can use to discover computer problems yourself (before needing to call tech support). Attend in person or virtually. Registration required.

### HOW TO DELETE YOURSELF FROM THE INTERNET

**THURSDAY, MARCH 7** | 6:00-7:30 p.m. | Mark Twain Room  
How much of your personal information is available online? In this class, we'll discuss ways to remove your sensitive information from the web in 10 steps. Attend in person or virtually. Registration required.

### GOOGLE DRIVE

**THURSDAY, MARCH 21** | 6:00-7:15 p.m. | Mark Twain Room  
Google Drive has a lot of components. Luckily, the library can help you navigate it! In this class, we will teach you on how to use Drive, with step-by-step instructions on how to upload, send, and organize files, and other tips and tricks to streamline your experience. Attend in person or virtually. Registration required.

### GENEALOGY

**TUESDAY, MARCH 26** | 5:45-7:45 p.m. | Mark Twain Room  
Are you interested in learning more about your ancestors? Then come to our Genealogy class! This month, we will be looking at Library of Congress resources, followed by help with individual questions to help you make the most of your work. Attend in person or virtually. Registration required.
