INSTRUCTIONS:

For every 30-minutes of reading you do, mark off one rocket. For each activity you do, mark off one planet. Possible activities are listed on the back side of this sheet. When you reach the number of hours of reading and the number of activities required for your age group, bring the completed log to the library for one free book and free food coupons, and pick up your Moon Landing level reading log. Each reading log should only be completed once.

AT HOME
