

HOW DOES IT WORK?

Selectors will choose 3-5 books for you based off your preferences. The books will be placed on hold for you at your selected location. You will receive an email once the books are ready to be picked up.

You will receive a survey to let us know how we did. Books are due back 3 weeks after check out; however, you can log into your account to renew any books you have not finished reading yet (as long as they don't have a hold by another patron).
